

Table of Contents

2	Introduction	
6	Element	1 Mix land uses, including water-dependent uses
10	Element	2 Take advantage of compact community design that enhances, preserves, and provides access to waterfront resources
14	Element	3 Provide a range of housing opportunities and choices to meet the needs of both seasonal and permanent residents
18	Element	4 Create walkable communities with physical and visual access to and along the waterfront for public use
22	Element	5 Foster distinctive, attractive communities with a strong sense of place that capitalizes on the waterfront's heritage
26	Element	6 Preserve open space, farmland, natural beauty, and the critical environmental areas that characterize and support coastal and waterfront communities
30	Element	7 Strengthen and direct development toward existing communities and encourage waterfront revitalization
34	Element	8 Provide a variety of land- and water-based transportation options
38	Element	9 Make development decisions predictable, fair, and cost-effective through consistent policies and coordinated permitting processes
42	Element	10 Encourage community and stakeholder collaboration in development decisions, ensuring that public interests in and rights of access to the waterfront and coastal waters are upheld
